## **Glenbard North to present "the Bad Seed"**

On the surface little Rhoda Penmark is a sweet and charming 8 year old, full of old fashioned graces, loved by her parents, and admired by her elders. But her mother has an uneasy feeling about her, and when one of Rhoda's classmates is mysteriously drowned at a picnic, Mrs. Penmark is alarmed.

Glenbard North High School students will present "the Bad Seed," the story of a housewife who begins to fear her "perfect" daughter might be a heartless killer.

The production will be presented at 7:30 p.m. Thursday through Saturday, Nov. 16 through 18, in Glenbard North's little theater, 990 N. Kuhn Road in Carol Stream.

The cast includes Julie Massanisso, Melody Jefferies, David Zemke, Tom Horvath, and Jessie Sherwin.

Tickets are \$5, and reservations are available by calling (630) 681-3399.
